**Attn: Mr. Ronnie Jacobson, Court Deputy
Honorable District Judge E. Kinkaede

I sent the attached to the address I had located on internet. Although, there were several, the Travis Street address was listed with the Bar Association. My mother and I met him at a Madeline Restaurant initially when she asked him to assist with turning myself in immediately. She gave him an initial payment of \$500 to do this. I sent the accompanying letter both regular mail and return receipt priority mail.

Respectfully,

Cheyenne Wood

Re: Pending Federal Court Case

Dear Mr. Deaquero:

As pursuant to my numerous requests, I am formally asking you to please excuse yourself from my case directly to the District Federal Court, Honorable Judge E. Kinkeade.

Earlier in September, when you sent a text requesting additional monies, I replied explaining my mother had paid the initial \$500 and was no longer able to resume payment as my father had a heart attack, surgery and permanent damage to his heart preventing them from further assistance. I asked then for you to please excuse yourself and not to proceed. You replied you would stay on without payment...

Again, after further discussion with my PO officer, on Tuesday October 19th, I again asked that you withdraw, explaining in depth that as to date I had not received one document of any kind pertaining to my indictment. Your reply was, "I hand delivered a letter to the US Attorney and had no contact. Stay put till US Attorney contacts me. YOU ARE OK." No sir, I am not OK...my entire life and the life of my children are on the line and to date I have not seen 'the letter' or any court documents, agent reports, or any documentation at all.

On Tuesday, November 1st, while meeting with my PO officer, I was informed of several activities and dates that you had not adhered to or that my court was reassigned to the Honorable Judge Kinkeade. I wrote you in depth expressing my concerns and need for you to please remove yourself from my case formally so I obtain creditable legal assistance. In adjacent, Mr. Deaquero, you are certainly aware of how scared and confused I am and yet you have done nothing

to explain procedures or strategies. To date, you have not answered my texts or calls.

Mr. Deaquero, you assured both my mother and myself, you were an experienced Federal Attorney and yet you were recently talking about state procedures, confusing me even more. We both know a Federal Case coheres to strict protocol and deadlines to which we have now missed. In lieu of just that fact, I am adamantly insisting you withdraw from my case and inform the Court accordingly.

Respectfully submitted,

Cheyenne R. Wood
